INDEX

This index covers Volume 8 of *Isaac Asimov's Science Fiction Magazine*, January 1984—Mid-December 1984. Entries are arranged alphabetically by author. When there is more than one entry for an author, listings are arranged chronologically in order of appearance in the magazine. All entries are followed by a parenthetical note. These notes are: (a) article; (c) cartoon; (e) editorial; (n) novella; (ne) novelette; (p) poem; (pz) puzzle; (r) review; (s) short story; and (x) crossword. Collaborations are listed under both authors. When a title, a parenthetical note, or an author's name is omitted, it is the same as that of the previous entry.
